Dear Mr. Forejtek,

On my own behalf and on behalf of CIBA, I wish to convey our sincere thanks and indeed, admiration for the wonderful catering services provided to us during our Saint Patrick's Day Party on Saturday last

Aleš and his team provided a first class service throughout the whole evening. Bearing in mind, that your people were working off-site (so to speak) and also were required to interact closely with people from other organisations, they demonstrated that they are true professionals. We also, very much appreciated their ability to adapt the menu to our particular needs by providing, inter alia, the excellent Irish Stew.

Please convey our thanks to Aleš and all your staff.

Finally I want to thank you for the wonderful voucher you donated to our Charity Auction.

Yours sincerely,
